ORDER NO.

SUBJECT:

Docket No. 2021-364-T - Application of NBF Beaufort, LLC d/b/a Two Men and a Truck Beaufort to Amend Tariff, Use of Electronic Bill of Lading, and Request for Waiver of Publication (See Docket No. 2017-374-T) - Staff Presents for Commission Consideration the Request to Amend Tariff and for Use of Electronic Bill of Lading Filed on Behalf of NBF Beaufort, LLC d/b/a Two Men and a Truck Beaufort.

COMMISSION ACTION:

I move the Commission approve the request of NBF Beaufort to amend the rates and charges in its proposed tariff as reasonable. NBF provided justification to the Commission for its request to increase its rates and charges. The Office of Regulatory Staff indicates NBF is in compliance with all Commission rules and regulations.

I further move the Commission approve the request of NBF Beaufort to utilize an electronic bill of lading, as presented in the application, as long as the bill of lading conforms to the requirements of Regulations 103-158, 159, and 162, the South Carolina Uniform Commercial Code, and all other statutes and regulations of the Public Service Commission.

I also move the Commission request the Office of Regulatory Staff update the mailing address of the company on its Certificate of Public Convenience and Necessity. NBF Beaufort shall provide the correct, current address of the company to the Commission and to ORS within seven days of the issuance of the final order in this docket.

However, I move the Commission deny the request of NBF to utilize several sections of its proposed tariff without further modification.

The Commission requires NBF use a full replacement coverage provision approved by the Commission, whether the provision is included in the tariff, or is provided to a customer "upon request." The proposed tariff does not provide sufficient information regarding the full replacement coverage options. I move the company either use the previously approved coverage found in the current tariff or seek approval to change the coverage provisions.

I move the Commission deny approval of the Presentation of Claims provision (3.2) which requires a customer to present a claim for damages to the company after a move within ninety-six hours of the move. I move it is reasonable for the company to require a customer to report a claim of damage within fourteen days after a move.

Finally, I move NBF modify its table of contents to reflect accurate page numbers for each section of the tariff. In addition, NBF shall provide the Commission and ORS with a Final Tariff

and Bill of Lading that conforms to the findings of the Commission within thirty days of the date the Commission issues its order regarding this docket.
